Your Plan

Eligibility

You are eligible for coverage if you are an active full time mainland employee excluding the WPMA working a minimum of 20 hours per week.

Guarantee Issue

Current Employees: If you enroll on or before the enrollment deadline of 07/31/2008, coverage is available to you without answering any medical questions or providing evidence of insurability. (After the enrollment period, your coverage will be medically underwritten, and you will be required to qualify based on information you provide on your overall medical health including routine, planned, unplanned or ongoing medical care or consultation. This review may result in a declination of coverage.)

Employees hired on or after 08/01/2008: You may apply for coverage without answering any medical questions or providing evidence of insurability if you apply for coverage within 31 days after your eligibility date. If you apply more than 31 days after your eligibility date, your coverage will be medically underwritten, and you will be required to qualify based on information you provide on your overall medical health including routine, planned, unplanned or ongoing medical care or consultation. This review may result in a declination of coverage.

Please see your Plan Administrator for your eligibility date.

**Weekly Benefit
Amount**

If you meet the definition of disability, you would be eligible to receive a weekly benefit if you are disabled equal to 60% of your weekly earnings, to a maximum of \$750 per week.

Your disability benefit may be reduced by deductible sources of income and any earnings you have while disabled. Deductible sources of income may include such items as disability income or other amounts you receive or are entitled to receive under: workers compensation or similar occupational benefit laws; state compulsory benefit laws; automobile liability and no fault insurance; legal judgments and settlements; certain retirement plans; salary continuation or sick leave plans; other group or association disability programs or insurance; and amounts you or your family receive or are entitled to receive from Social Security or similar governmental programs.

UnumProvident will provide coverage for you if:

- you are not in active employment because of a sickness or injury; and
- you were covered by the prior policy.

Your payment will be limited by the amount that would have been paid by the

prior carrier. UnumProvident will reduce your payment by any amount for which your prior carrier is liable.

Definition of Disability

You are disabled when Unum determines that:

- you are limited from performing the material and substantial duties of your regular occupation due to your sickness or injury; and
- you have a 20% or more loss in weekly earnings due to the same sickness or injury.

You must be under the regular care of a physician in order to be considered disabled.

Elimination Period

The Elimination Period is the length of time of continuous disability which must be satisfied before you are eligible to receive benefits. If your disability is the result of an injury that occurs while you are covered under the plan, your Elimination Period is 7 days.

If your disability is due to a sickness, your Elimination Period is 7 days.

Benefit Duration

If you meet the definition of disability you may receive a benefit for 25 weeks.

Federal Income Taxation

The taxability of benefits depends on how premium was taxed during the plan year in which you become disabled. Whether you pay 100% of the premium or you and your Employer share in the cost, if premium for the plan year is paid with **post-tax** dollars, your benefits **will not** be taxed. If premium for the plan year is paid with **pre-tax** dollars, your benefits **will** be taxed. If premium for the plan year is paid partially with post-tax dollars and partially with pre-tax dollars, then a portion of your benefits will be taxed.
